SECCO ULTRA DEHUMIDIFIER

Secco Ultra Portable Dehumidifier

The SECCO ULTRA, a commercial / industrial portable dehumidifier with a capacity of 38 litres per day. Designed and manufactured in Italy by OLIMPIA SPLENDID, this quality product possesses all the quality, style and aesthetic appeal associated with that country. As part of the Profession Dehumidifier range, the SECCO ULTRA is easy to move around thanks to the special terrain wheels, long handle and its light weight, making it possible to place anywhere. With its stainless steel body, its robustness makes it particularly suited to commercial / industrial applications. Fitted with digital electronic controls, a 10 litre capacity collection tank and defrost mechanisms that ensure maximum efficiency even at low temperature. The SECCO ULTRA's high performance makes it particularly suitable for operation in museums, galleries, freshly painted areas that require rapid drying or just general dehumidification.

*rated at 32°C @ 80 %RH
