RI2200

2.2kW ELECTRIC RADIANT HEATER

RI2200
2.2kW ELECTRIC RADIANT HEATER

The Coolbreeze RI2200 is a rugged, portable 2.2kW electric infrared heater. Twin infrared halogen lamps deliver fast, focused radiant heat directly to people and surfaces, ideal for accelerating drying or providing immediate warmth without waiting for an entire room to heat up.

With two heat settings, thermostat control and easy manoeuvrability, the RI2200 is a practical heating solution for temporary worksites, occupied spaces and demanding commercial environments.

- **2.2kW Radiant Infrared Heating**
- **Dual Heat Output (1.1kW / 2.2kW)**
- **Whisper Quiet Operation**
- **Electronic Thermostat 15-45°C**
- **Auto Shut-off Timer**
- **Tip-Over Safety Cut-Out**
- **Plug & Play 10A 240V Operation**
- **Trade Tough Durable Construction**
- **Portable Wheels & Integrated Handle**

Schools & Play Centres
Warmth for classrooms, activity areas, indoor play spaces during cold weather.

Workshops & Trade Areas
Direct, localised warmth for mechanics, technicians and trades in cold workshops.

CONSTRUCTION
Helps accelerate the drying of plaster, paint, coatings and completed wet trades.

INDUSTRIAL & WAREHOUSING
Focused warmth for workstations where whole-building heating is not practical.

Flood Restoration
Provides targeted heat to assist air movers and dehumidifiers with drying.

Offices & Commercial Spaces
Temporary heating during cold weather, maintenance work, and HVAC interruptions.

Events & Temporary Venues
Localised warmth for indoor event spaces, marquees, and temporary facilities.

SPECIFICATIONS

Capacity	2.2kW
Heating Elements	2 X 1.1kW Infrared Halogen Lamps
Coverage	Up to 20m²
Power Supply	240V / 10A Single Phase
Current Consumption	9.2A
Weight	12kg
Dimensions W x D x H	500mm x 460mm x 1000mm
Operating Temperature	-20°C to +40°C
Power Cord Length	1.9m
